

Tobias Design Awarded Best of Houzz 2016

Over 35 Million Monthly Unique Users Nominated Best Home Building, Remodeling and Design Professionals in North America and Around the World

Hopewell, NJ, January 26, 2016 – [Tobias Design](#), based in Hopewell, New Jersey, has won “Best Of Customer Service” on [Houzz](#)®, the leading platform for home remodeling and design. This is the third consecutive year Tobias Design has won this honorable award and recognized for exceptional customer service from industry professionals, home building, remodeling and design enthusiasts that comprise the Houzz community.

Lisa Tobias, owner and head designer of Tobias Design, has been providing customized designs for kitchens, as well as bathrooms, home offices and mud rooms, incorporating handpicked lines of cabinetry from Bentwood Luxury Kitchens, Harmoni, Greenfield Cabinetry, Sitaline, SieMatic and Artcraft. What sets Tobias Design apart is their thoughtful approach in the design process, incorporating function and addressing each client’s unique needs and style -- from modern, traditional, or transitional – creating a result that is distinctive and practical.

The Best of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners’ work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honors are based on several factors, including the number and quality of client reviews a professional received in 2015. “Best of Houzz 2016” badge will appear on winners’ profiles, as a sign of their commitment to excellence.

“We are privileged to be recognized by the Houzz community for a third consecutive year in the category of Customer Service,” stated Lisa Tobias, Owner and Lead Designer of Tobias Design. “From the start of launching Tobias Design, twelve years ago, our philosophy has always been to provide a comprehensive, but pleasant experience for the homeowner in remodeling their kitchen or bath in what could be characterized as a daunting process.”

“Anyone building, remodeling or decorating looks to Houzz for the most talented and service-oriented professionals,” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re so pleased to recognize Tobias Design, voted one of our “Best of Houzz” professionals by our enormous community of homeowners and design enthusiasts actively remodeling and decorating their homes.”
