Tobias Design Awarded Best of Houzz 2019
Awarded the highest-level honor – the Customer Service Category

Hopewell, NJ. February 18, 2019 – [Tobias Design, LLC](#), specializing in custom kitchen cabinetry designs, has won “Best of Customer Service on Houzz®”, the leading platform for renovation and design. Tobias Design was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than 2.1 million active home building, remodeling and design industry professionals.

The Best of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. The Customer Service honor, the area that Tobias Design was awarded, is based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2018. This is Tobias Design's sixth consecutive year winning Best of Houzz.

“This is an honor to receive this award again considering the Houzz online community of home building and design professionals has grown tremendously since we originally became active on Houzz over six years ago,” stated Lisa Tobias, Owner of Tobias Design. “To be recognized out of 2 million professionals is a true testament to our mission of putting our clients’ needs first.”

"Best of Houzz is a true badge of honor as it is awarded by our community of homeowners, those who are hiring design, remodeling and other home improvement professionals for their projects," said Liza Hausman, vice president of Industry Marketing for Houzz. “We are excited to celebrate the 2019 winners chosen by our community as their favorites for home design and customer experience, and to highlight those winners on the Houzz website and app.”

A “Best of Houzz 2019” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.
